Taiwan- The Best Platform for Digital Talents

A model of democracy and freedom in Asia, with a society that values openness, diversity, and inclusivity of different culture.

Robust internet infrastructure and sound regulations.

Established Ministry of Digital Affairs (moda) in Aug. 2022, Taiwan values developments of digital talents, local and global digital industry.

Features of Digital Talents

We know digital talents are...

Not restricted by salary or job offers

No limitations based on seniority.

Flexibility of working from anywhere.

Continuous self-improvement.

Engage in cross-field learning and innovation.

So we do...

Values professionals' expertise (awards, portfolio, patents, published papers, etc.).

Offers application channels for talents aged 18 and above.

Allows overseas remote work (not necessarily full-time in Taiwan).

No restrictions on salary, educational or work background.

Welcomes interdisciplinary, self-taught individuals, and tech innovators.

Qualification Criteria

Meeting any one of the following criteria is sufficient.

Special Qualification for Digital Talent

Working Seniority

Over 8 years of professional experience in the digital economy sector.

Compensation

Employed in a relevant field with a recent monthly salary of at least NT\$160,000.

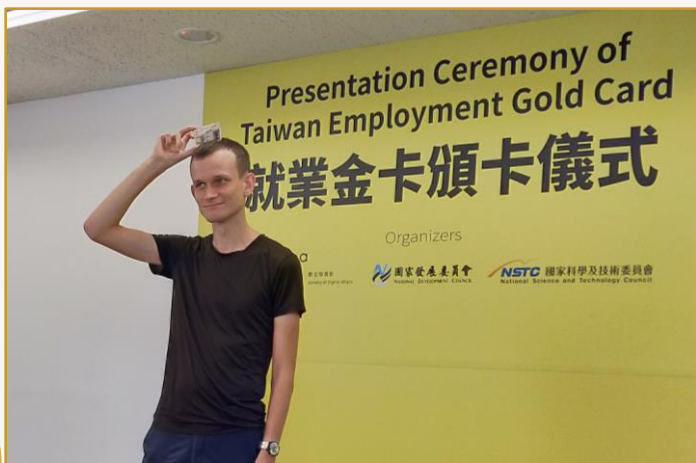

Academic Achievement

Graduated from a university ranked in the Top 500 worldwide and holding a doctoral degree from that institution.

Relevant Expertise

Included academic certifications, winning awards, or having more than 4 years of relevant work experience.

Vitalik Buterin Holds Taiwan Employment Gold Card

Luisa Crawford Aug 15, 2023 11:55

During a discussion in which Taiwan's Digital Minister Audrey Tang, Matters' co-founder and current CEO Zhang Jieping, and Ethereum's co-founder Vitalik Buterin participated, an unexpected finding was made.

When Minister Tang was [discussing](#) Taiwan's policy on the distribution of 6,000 yuan, he made a slip of the tongue that revealed Vitalik Buterin's status as a bearer of the Taiwan Employment Gold Card. This information was made public by mistake.

The Taiwan Employment Gold Card is a one-of-a-kind program that was developed to persuade talented individuals from other nations to come to Taiwan and contribute to the economy of the country. This program was meant to attract workers who had degrees or certifications in a certain field.
